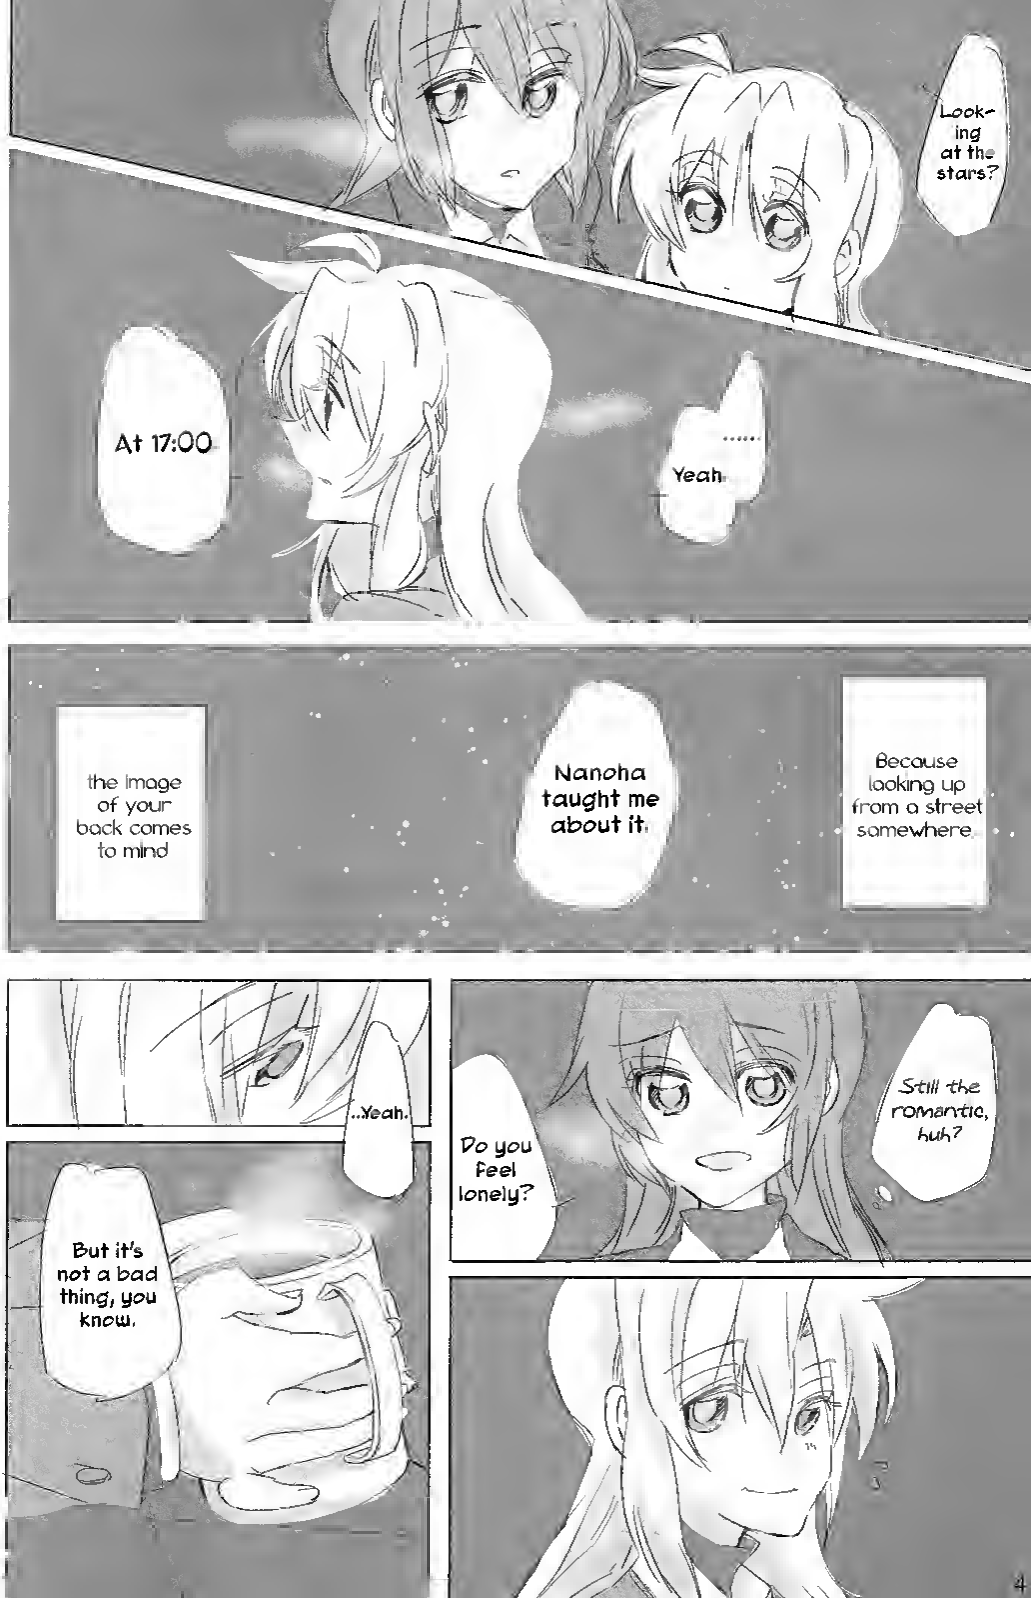
The reason why we are in love

Because I found Orion
Thanks for your hard work, Fate-san
Tea.
This mission has dragged on, hasn't it?
my heart has became peaceful
Well, I knew it would somehow.
You weren't able to go to Vivio's school entrance ceremony, right?
Her gift's been sent, so it's okay.



Looking at the stars?
.....
Yeah.
At 17:00
Because looking up from a street somewhere
Nanoha taught me about it.
the image of your back comes to mind
..Yeah.
But it's not a bad thing, you know.
Do you feel lonely?
Still the romantic, huh?

From the time we're born until we die, it's a bitter luxury we taste.
Loneliness...
The things that really make you think you're lonely
are things you've gathered that teach you what happiness truly is.
What's more
Oh, is that so?
No matter what planet you're on, the stars' locations don't change.

Just that will make me feel at ease.
SIP
so long as she's able to feel nostalgic about her childhood.
Oh! I can get...
It's fine.
Then I'll go get the paper-work for finishing up the mission.
Ah, it's about time I contacted Nanoha.
Thanks for the coffee.
?
beep
click
ring ring ring
Ah, Fate-chan?
Isn't that my line?

Hey, mama, look! Look!
I can't ignore your
Ignorance is bliss
Aaah!
Ryuguu Komachi!
I've just finished
Oh, good work.
How's Vivio?
Hooray!
Light hooun~se!
Poker Face Lips
She's ecstatic. She's hugging the backpack you gave her again.

It couldn't be helped. You had to work.
I'm sorry. I wish I could've gone too.
Yeah...
The words I was going to say, but stopped.
Don't worry about it.
Cautiously, I lied a little
When do you think you'll be able to come back?

Um,
I think I'll be able to come back the day after tomorrow, sometime in the afternoon
Oh...
...?

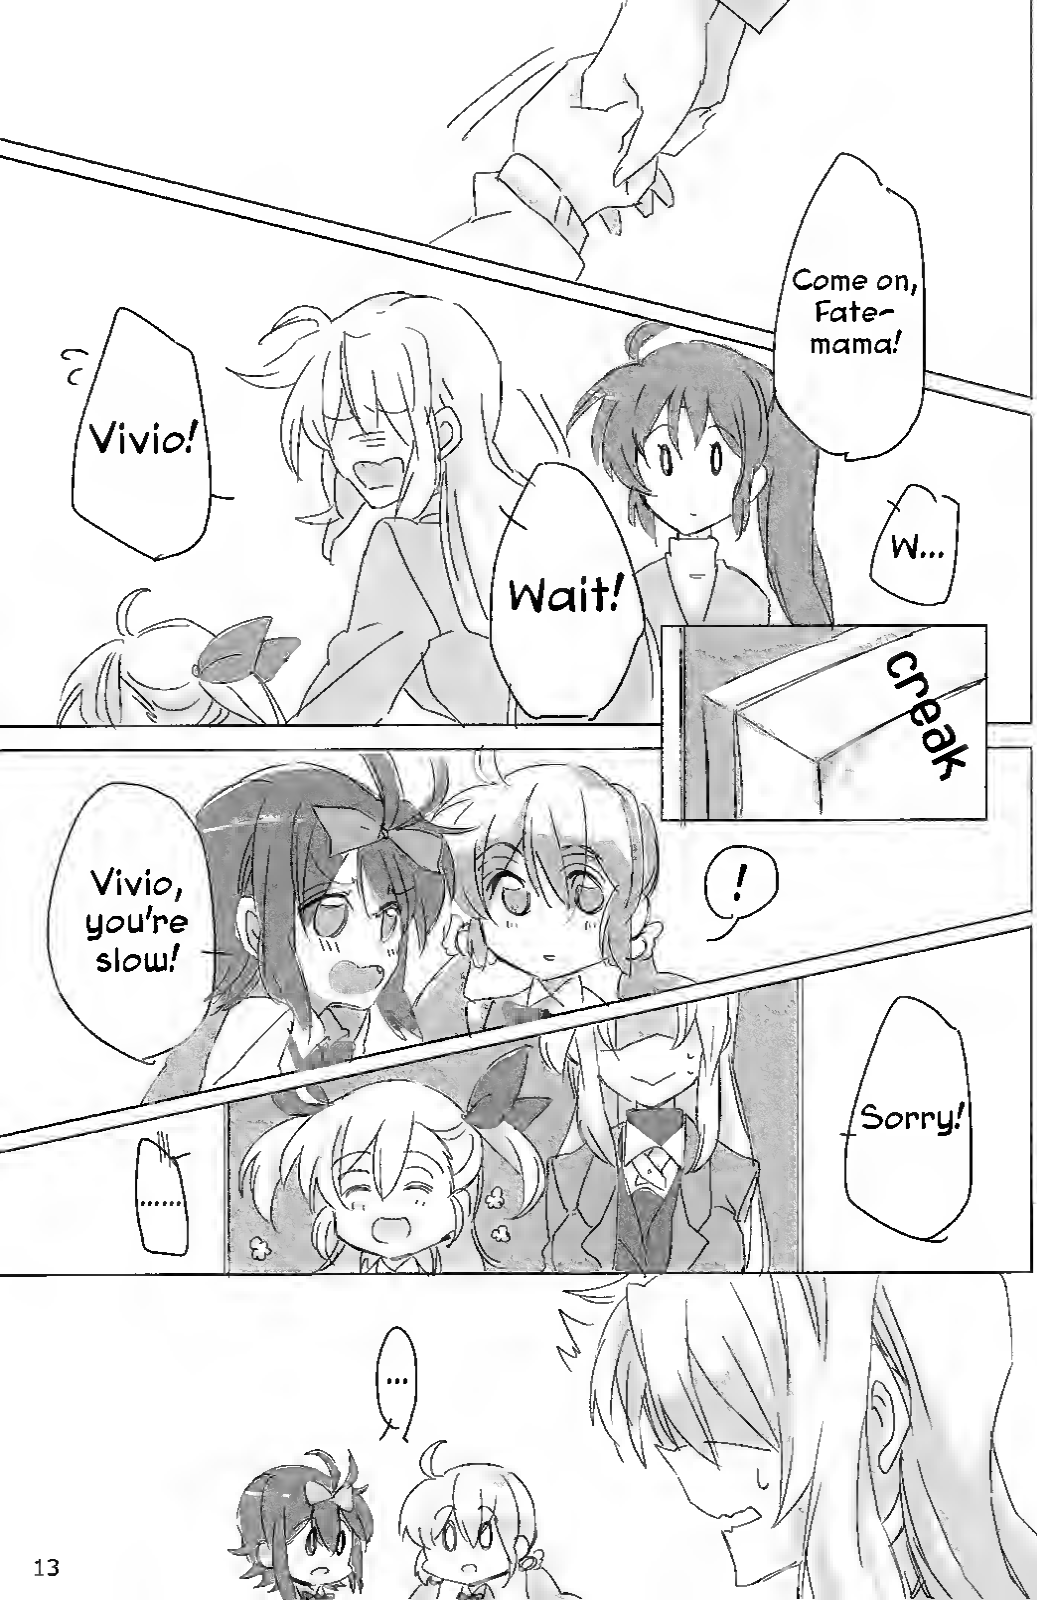
Fate-san, can you help me for a minute?
Ah, yeah.
Oh, I'm sorry. Were you still working?

No, it's okay. We'll finish soon.
Okay. I'm going to hang up then.
'Kay.

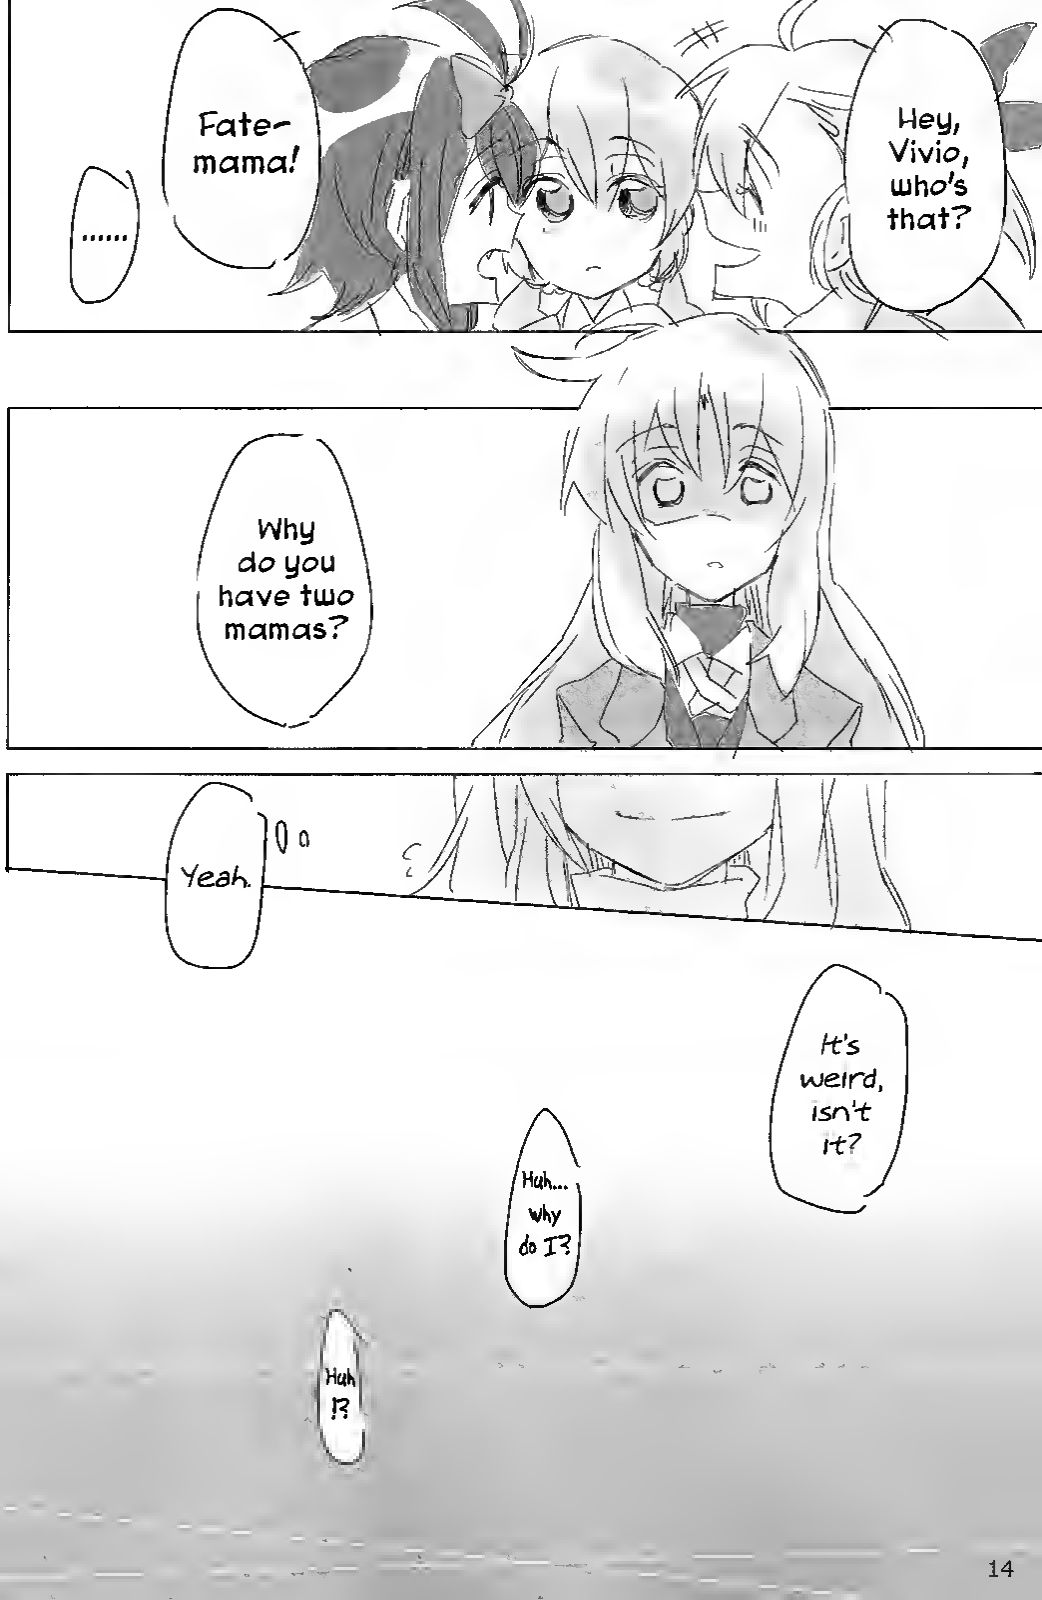
...Yeah.
.....Come back safe, okay.
beep
I...
hew
What am I worrying about?
Since I have become an adult
there have been more difficult things than I thought there would be.
Fate-mama!

Vivio.
Welcome home!
Yeah.
Good work.
I'm home.

Hey, listen, Fate-mama!
Vivio was able to make lots of friends at school!
Oh, really?
Yeah,
and two of them are at Vivio's house right now!
TRUMP
?



Come on, Fate-mama!
Vivio!
Wait!
W...
creak
Vivio, you're slow!
!
Sorry!
.....
...



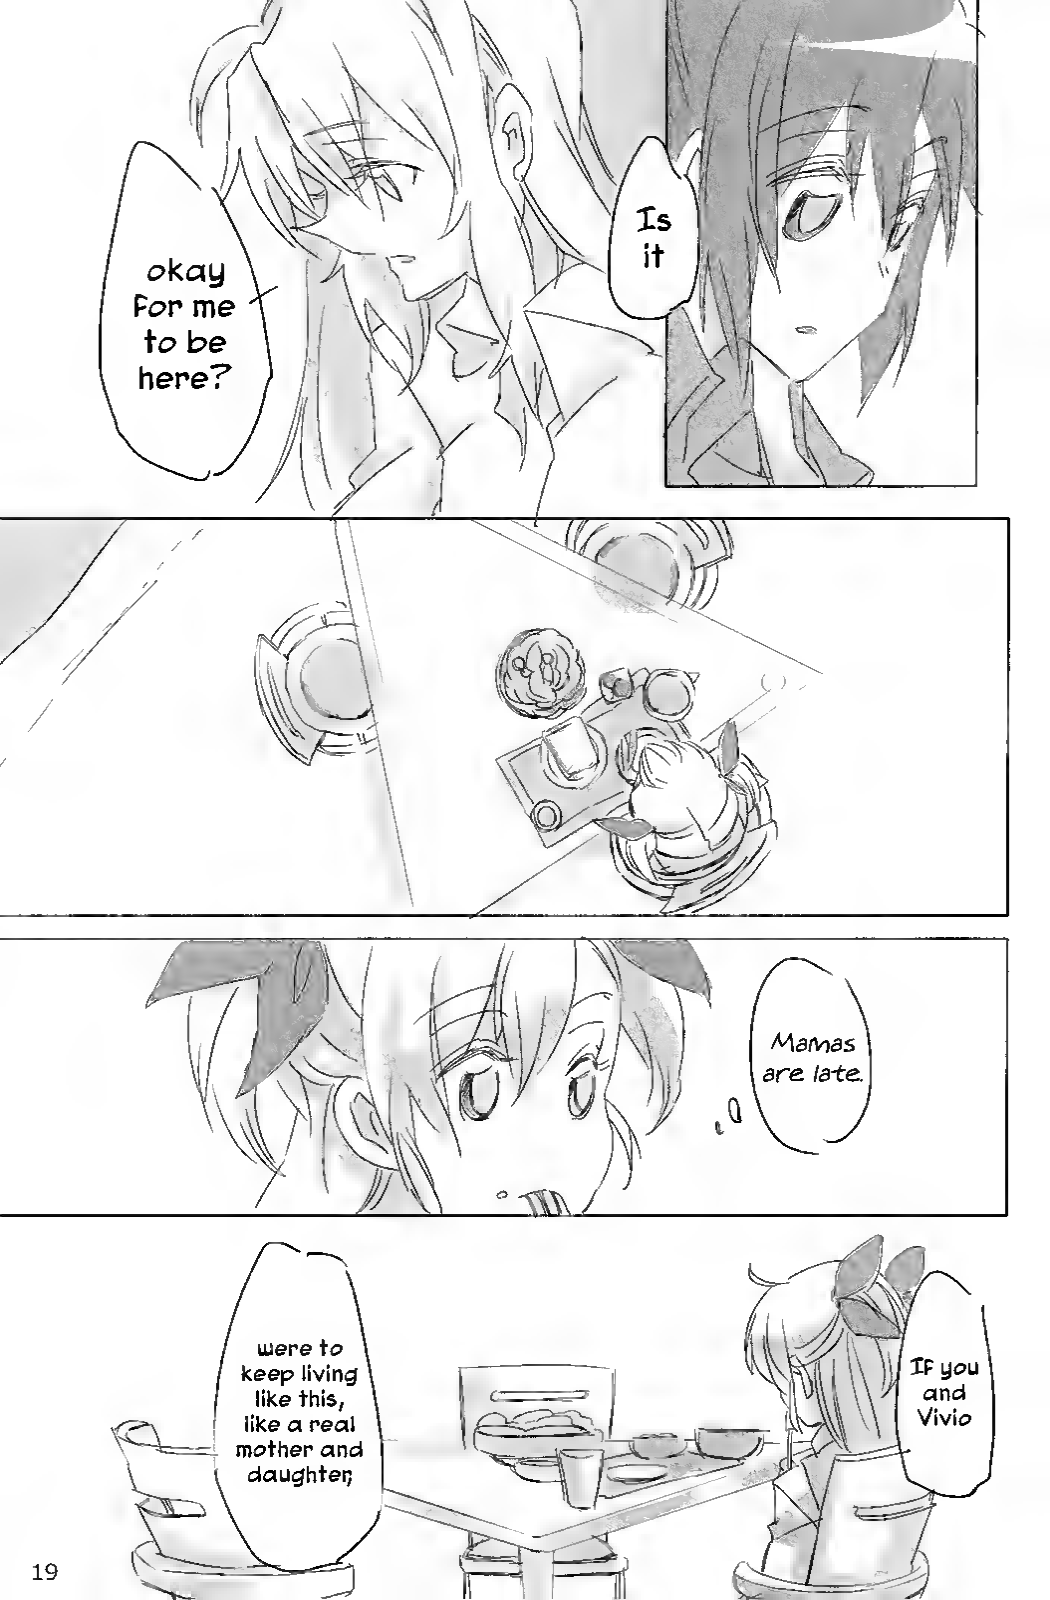
.....
Fate-mama!
Hey, Vivio, who's that?
Why do you have two mamas?
Yeah.
It's weird, isn't it?
Huh... why do I?
Huh!?

I don't really understand.
Even now,
What is 'love'?
I love Fate-chan.
And I also love everybody else about the same.

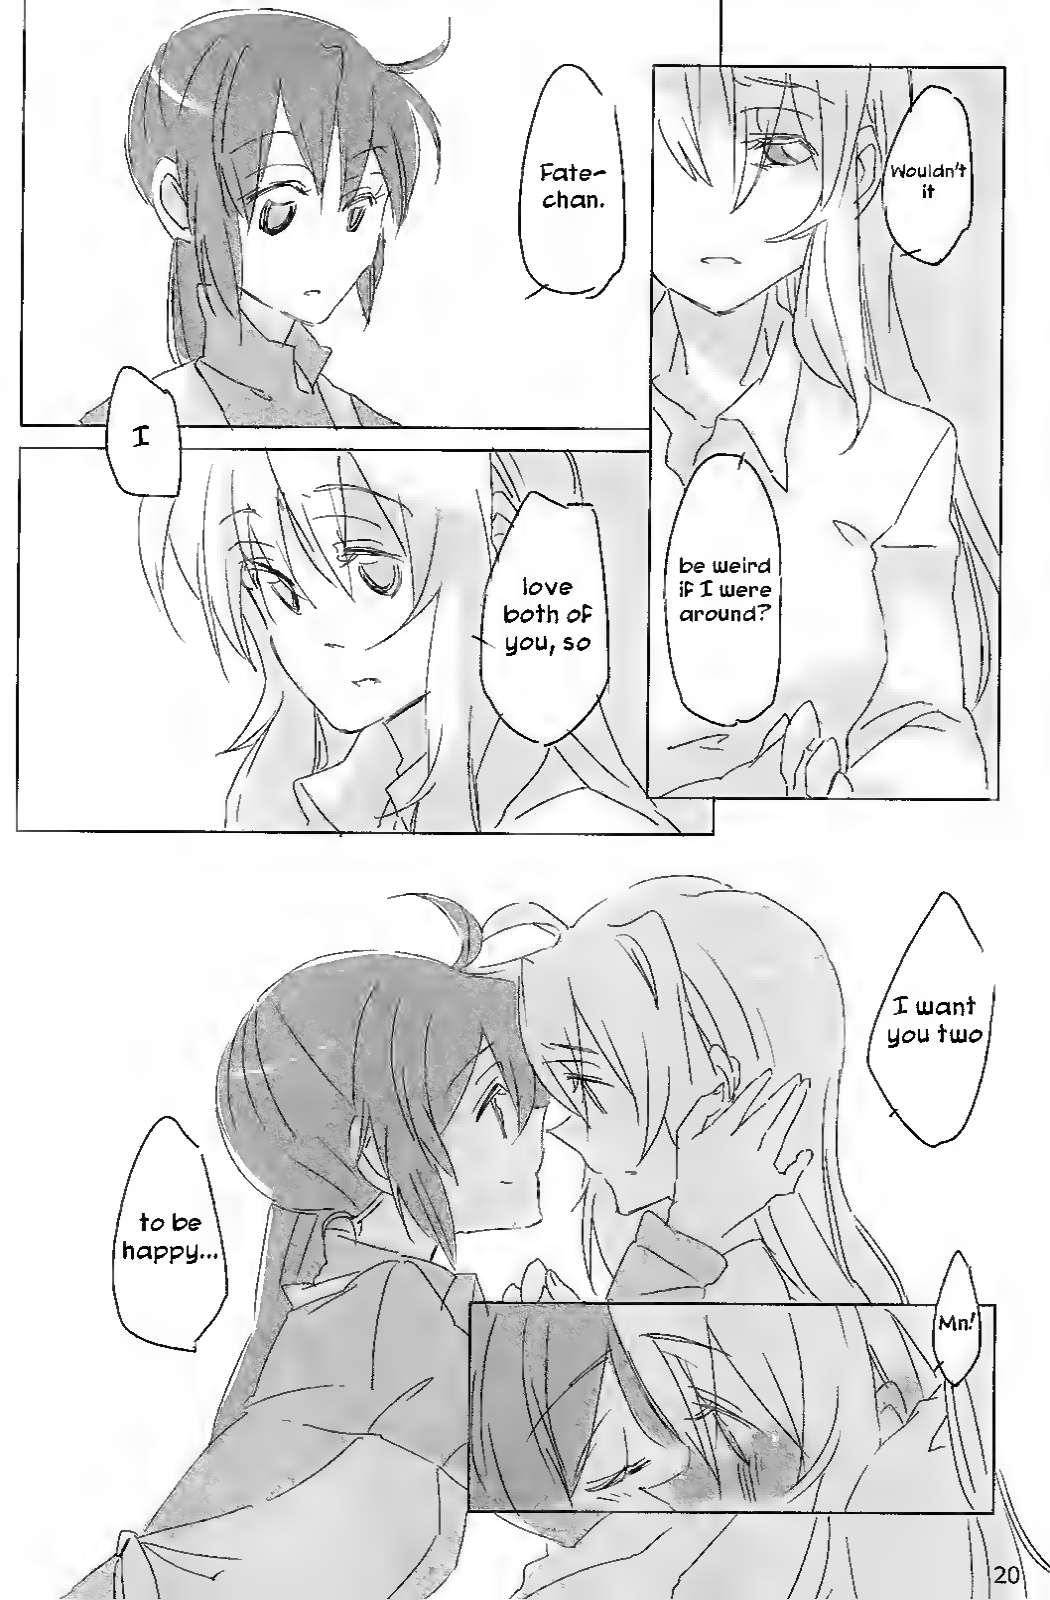
step
step
But
it's
differ-
ent
only
with
you.

The times that I'm touched by your philosophy
are the times that I like myself the best.
-chan...
Fate-chan.

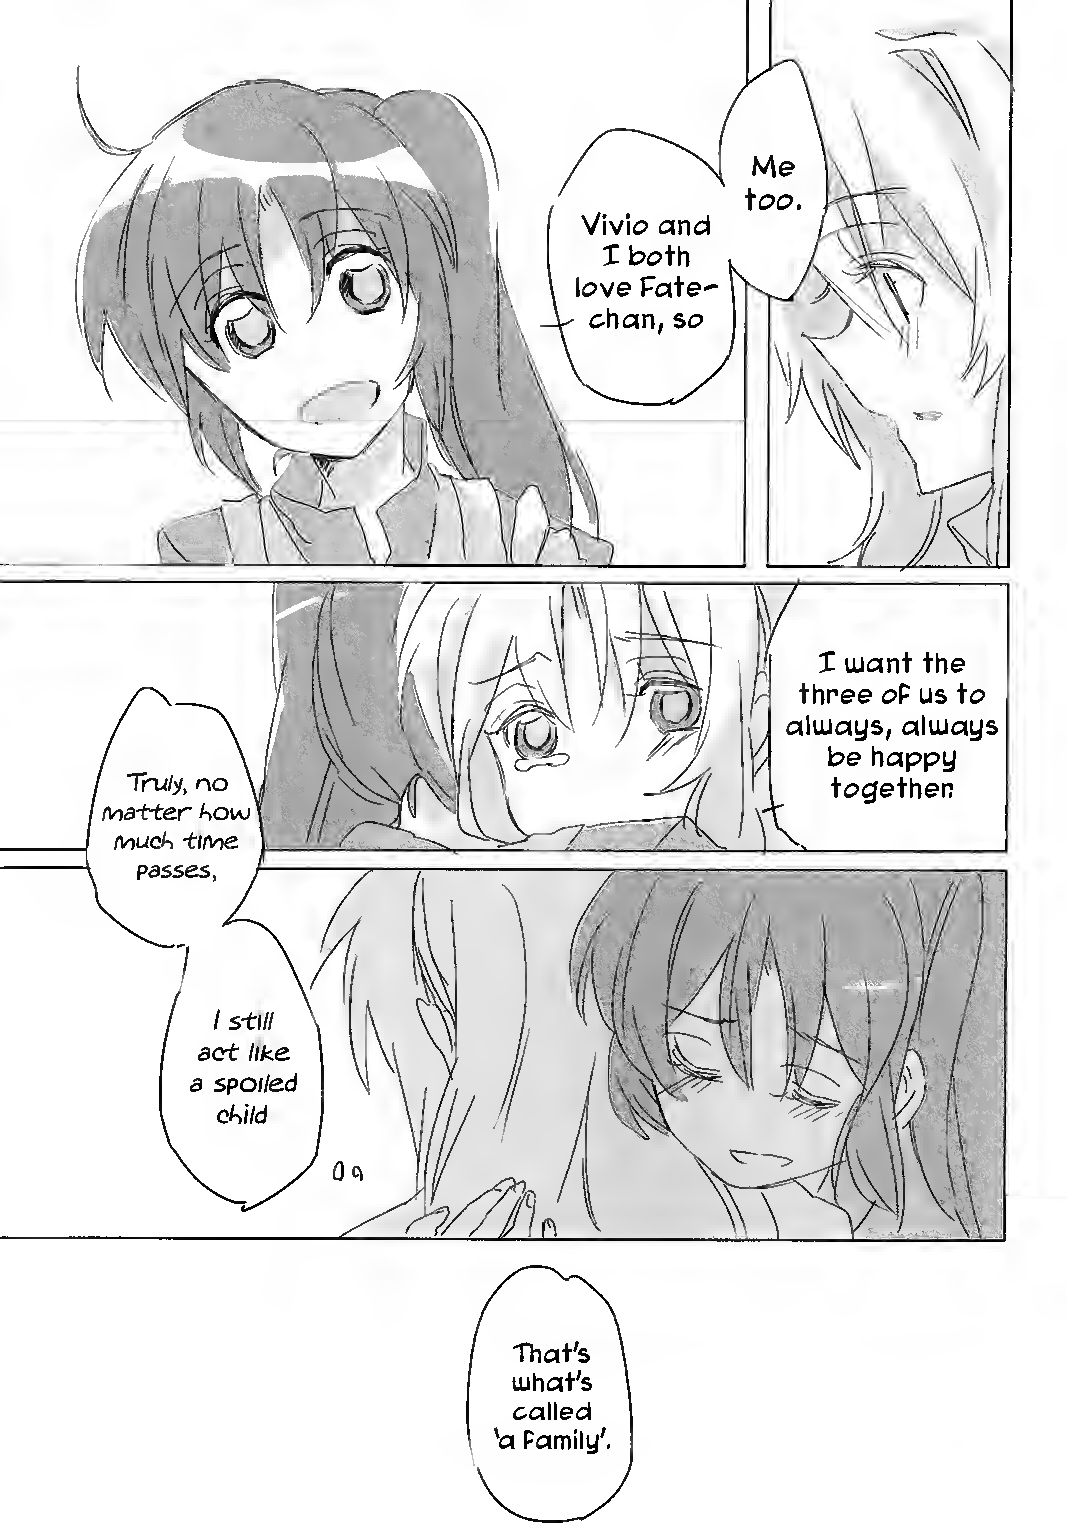
Good morning. Do you want breakfast?
Yeah.
Mm?
So get dressed and come eat.
...
Then I'll go get it ready.
Hey, Nanoha.
tug



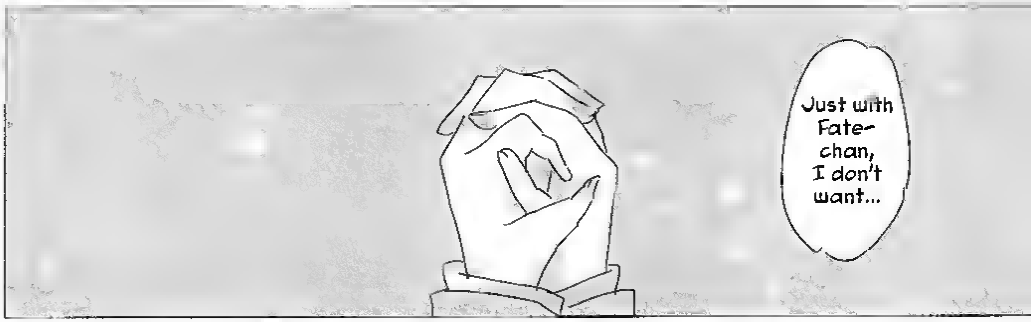
Is it
okay for me to be here?
Mamas are late.
If you and Vivio were to keep living like this, like a real mother and daughter



Fate-chan.
Wouldn't it be weird if I were around?
I love both of you, so
I want you two to be happy...
Mn!



Me too.
Vivio and I both love Fate-chan, so
I want the three of us to always, always be happy together
Truly, no matter how much time passes,
I still act like a spoiled child
That's what's called 'a Family'.

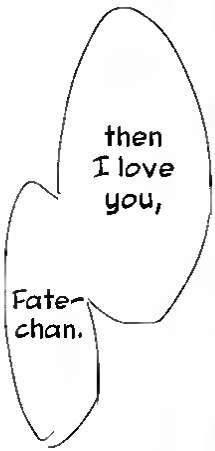


Just with Fate-chan, I don't want...

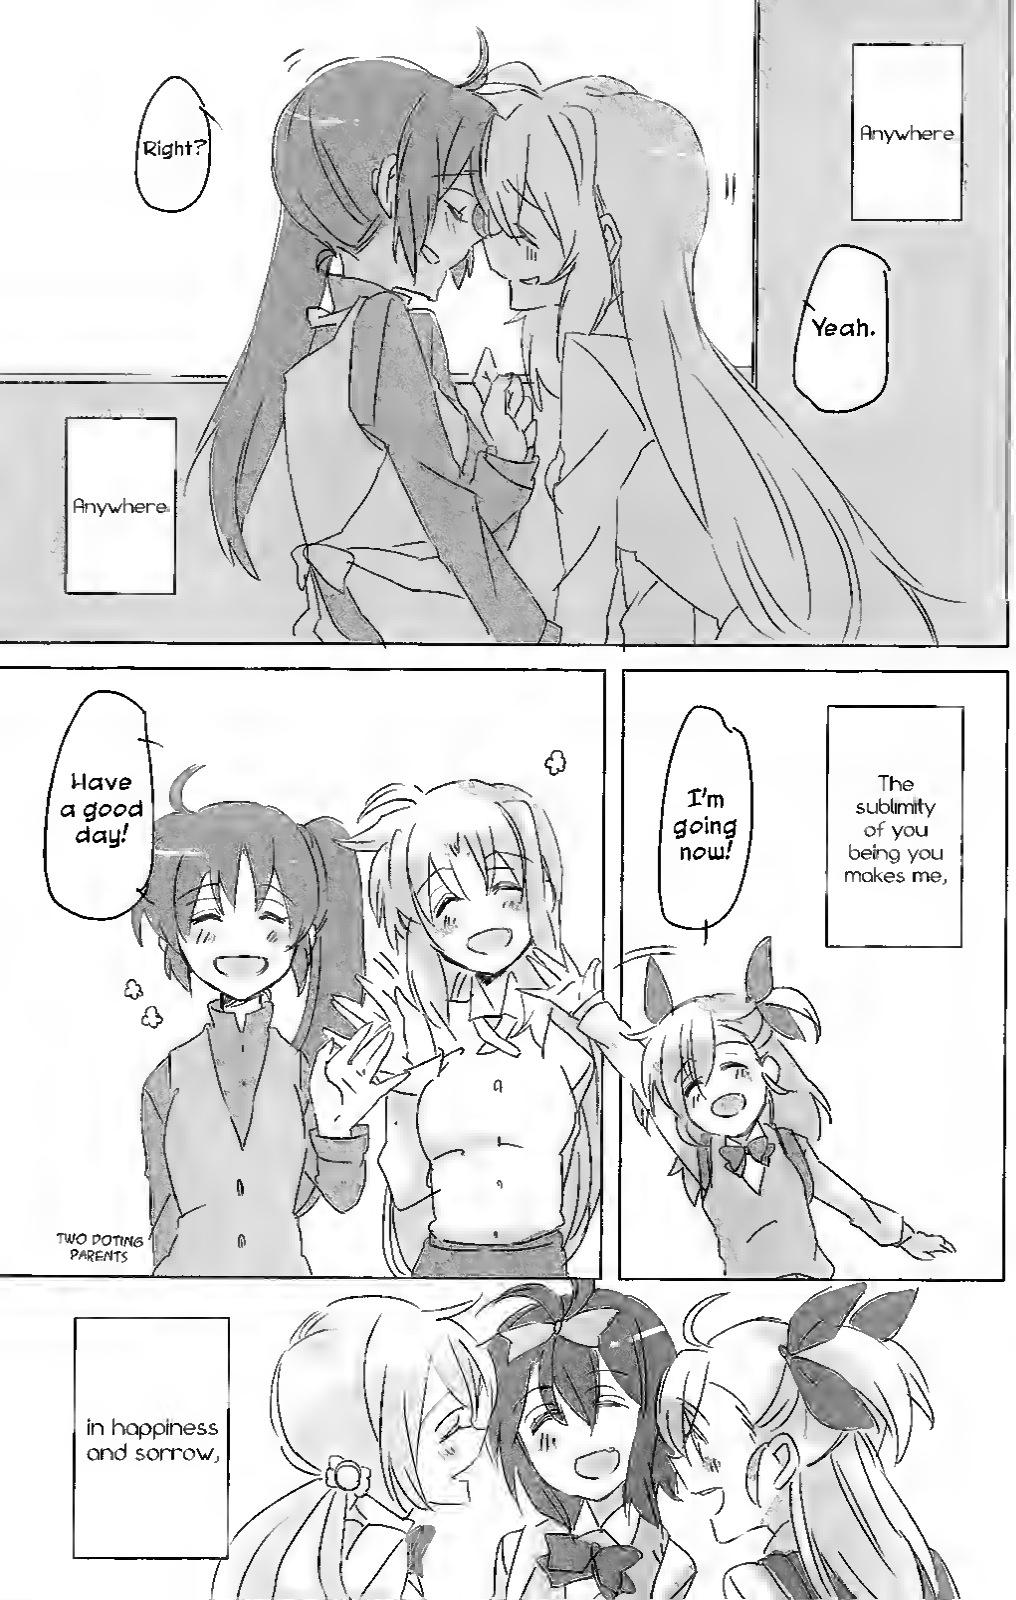
I don't want the person next to you,
making you happy, to be anyone but me.

is what love is,

If this



then I love you, Fate-chan.



Right?
Anywhere
Yeah.
Anywhere.
Have a good day!
I'm going now!
The sublimity of you being you makes me,
TWO DOTING PARENTS
in happiness and sorrow,

more and more,
want to be near you.
Isn't it great, Vivio?
Huh?
I'm jealous that you have two mamas!
I know, right?
...I'm sorry, Nano-ha.
I guess I was worried about nothing.
You were, weren't you?

into the wide,

pro-found sky we go.
